

Entries for 'Breed Bash' due May 15

BRUSH – Entry forms are now available for *Breed Bash*, a multi-breed youth cattle event June 5 & 6, 2021 at the Morgan County Fairgrounds in Brush.

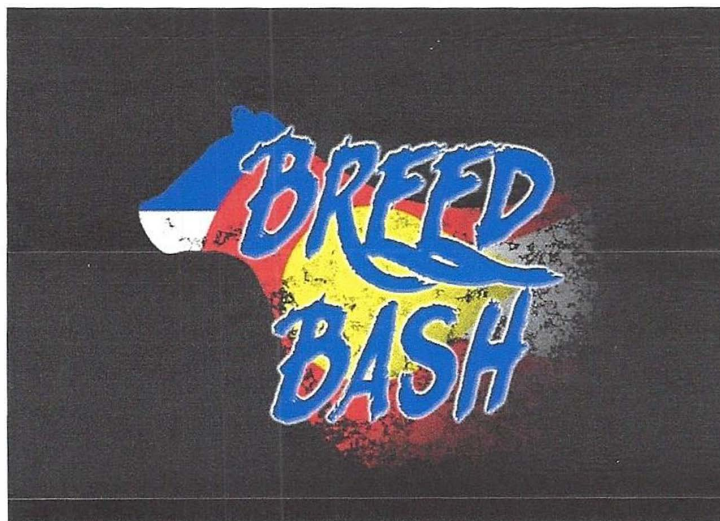

Breed Bash is an effort by junior advisors from Colorado's Angus, Hereford, Limousin, Red Angus, Shorthorn and Simmental associations, and Colorado Cattlemen's Association. The collaborative state field day will include educational contests, showmanship, and breed shows. It is geared for youth owning registered cattle.

Animal check-in and some competitions will be Saturday, June 5. Entries for beef quiz bowl, salesmanship, speech, and photography contests are found on the same entry form with showmanship and cattle show. The educational contests are free and open to any youth, with a first-come first serve signup in some competitions. An informal awards ceremony and junior breed meetings will wrap up the day.

On Sunday, June 6, the Blow-n-Go shows will start at 8 a.m. with showmanship, followed by individual breed shows and culminate with a Supreme Champion. The cattle shows are \$20 per head. Entry deadline is May 15.
