

February 6, 2022

Dear CAA members, CJAA supporters and community members,

I hope your 2022 is off to a great start! The CJAA has started planning our Golden Trend Preview Show which is held in conjunction with the Colorado Breed Bash. The Breed Bash allows junior breed association members from across Colorado to exhibit cattle and compete in contests in preparation for junior nationals. This year the show will take place on June 4th & 5th at the Morgan County Fairgrounds in Brush, Colorado.

We could not have been successful last year without the support from CJAA supporters. Donations play a huge role in the execution of the show and are a great opportunity to support junior Angus members and promote your herd and operation. We individually recognize each supporter with the award they sponsor or general donations that cover expenses. This year we need donations for division awards, showmanship buckles, and supreme awards. Below are our suggested donations:

- Owned Heifer Division \$200
- Bred & Owned Heifer Division \$200
- Bred & Owned Bull Division \$100
- Cow/Calf Pair Division \$100
- Steer Division \$100
- Champion Showmanship (Junior, Intermediate, Senior) \$150
- Reserve Champion Showmanship (Junior, Intermediate, Senior) \$150

Please contact Lea Rohr (Lazyhranchco@msn.com or 720-530-4817) or myself (maddyrohr23@outlook.com or 720-467-3302) if you are interested in sponsoring an award or to give a general donation. Donations can be sent to CJAA, c/o Advisor, Lea Rohr, 20950 County Road 1, Elbert, CO 80106.

We appreciate your support of the CJAA and our juniors!

Maddy Rohr
Colorado Junior Angus Association
