3. All entries must be registered with the American Angus Association.
4. All cattle sell under the sale terms and conditions of the American Angus Association.
5. Consignor must own all entries at the time of entry.
6. Tattoos will be verified at sale site and must be correct with AAA registration papers. Please check tattoos before entries are made. Tattoos and OVC tattoos must be legible!

SALE EXPENSE

1. All animals (BULL, HEIFER, PICKS OR GENETIC LOTS) will have an entry fee of one hundred dollars (\$100) US per lot. It will be put towards prorated sale expenses. It is non-refundable.
2. The sale management, auctioneer and the Colorado Angus Association will charge a total of 8% plus prorated sale expenses less entry fees.

HEALTH REQUIREMENTS

1. BRUCELLOSIS – FEMALES AND BULLS
 1. Official Calfhood Vaccinated (OCV) with a legible vaccination tattoo.
 2. Females 24 months of age and over must test negative within 30 days prior to sale date or be from a certified free herd.
 3. Bulls six months of age and over must test negative within 30 days prior to sale date or be from a USDA certified free herd.
2. TUBERCULOSIS – All breeding animals must be tested and negative within 60 days prior to sale date or be from a USDA accredited herd. If from a USDA accredited herd, list the last whole herd test date. If the animals are coming from Michigan, please visit our website at www.colorado.gov/aganimals or call the Colorado State Veterinarian's office at (303) 869-9130 for complete testing details.
3. BOVINE VIRAL DIARRHEA (BVD) – Must be tested negative for BVD persistently infected (PI) status PRIOR to arrival at NWSS. Those without a documented negative test will not be allowed on the grounds. Pooled samples are accepted so long as individual animal identification is maintained and documented. One negative test per animal is sufficient per lifetime. Acceptable tests include immunohistochemistry(IHC), antigen-capture ELISA (ac-ELISA), polymerase chain reaction (PCR) and virus isolation (VI). Please note: BVD serology or titers are not accepted.
4. SCABIES – All animals must have been officially treated for Scabies by the following: treated with an Ivermectin or Ivermectin-like product(s) at required dose, according to label directions, between 1 and 10 days prior to arrival on NWSS grounds. If sold, some states of destination may require additional treatments. NWSS veterinarian(s) will address if required.
5. TRICHOMONIASIS – All sale bulls 12 months of age or older shall have a negative individual PCR T. fetus test within 30 days prior to entry to the NWSS. No female contact after negative trich test.
6. ANAPLASMOSIS AND BLUE TONGUE – A test is optional within 30 days of sale date, as animals may sell to some eastern states that require a negative test for either or both diseases.
7. Individual health certificates **3 copies each** are required for each animal or lot in the sale.
8. All cattle must be ready for interstate travel. We suggest if you are interested in sending cattle to other countries like Canada have the proper test done to allow sale cattle to be exportable.
9. PLEASE HAVE YOUR VET CONTACT THE COLORADO STATE VETERINARIAN FOR COMPLETE HEALTH PAPER REQUIREMENTS REQUIRED FORM YOUR STATE.
